SUMMER/AUTUMN 2016

MEDICINES WASTE

Every year millions of pounds worth of medicines are ordered and not used. Please help reduce this burden on the NHS

Check your repeat form and only order what you **really** need. Once medicines have been issued they cannot be used by anyone else and have to be destroyed.

Don't hoard prescribed tablets, injections etc. "just in case"; some patients have been found to have cupboards full! **Don't let that be you!** Return them to the pharmacy if you no longer take them.

Remember that medications are prescribed for you alone – under no circumstances should you give them to anyone else.

IT CAN BE DANGEROUS.

PHYSIOTHERAPY REFERRALS

Adult patients from this practice can now refer themselves to Physiotherapy on the NHS without a visit to the GP.

The service offers comprehensive treatment and advice.

Phone 01246 565050
Monday – Friday 8.30am – 3.00pm

Alternatively you can email them at:
DCHST.nderbysoutpatient@nhs.net

A leaflet is available on reception at each of our 3 sites

Chesterfield Medical Partnership is committed to providing an environment for learning and personal development.

We are very happy to announce that we have been awarded Training Status.

Being a training practice means that we have met the rigorous required standards to provide training for future General Practitioners. Dr. Joshi is our approved GP trainer working with the Chesterfield GP Specialty Training programme.

Later this year we will have qualified doctors placed in surgery who are working under supervision of the GPs, with the aim of specialising in General Practice as their future medical career. They are called GP Registrars and they will be a very welcome and valued addition to our medical team.

We said goodbye to:
Joanna one of our
Receptionists and
Lorraine Jolly -
Practice Nurse.

In August and September we
welcome two new members to our
reception team, Julie and Stephanie.

Later this year we will be
welcoming two new Practice Nurses.

We are constantly trying to recruit
GPs however, there continues to be a
national shortage!

**It is with great regret we have to
announce that our dear colleague Lyn
Williams passed away unexpectedly.**

**Lyn ran the NHS Health Check
programme in her role as Health Care
Assistant
Our sympathies and best wishes go
out to her Family and friends**

Suffering but not an EMERGENCY?

**FOR MINOR ILLNESS
